Item 4: Other Business Activities

- A. If Mr. Alpers is actively engaged in any investment-related business or occupation, including if he is registered, or has an application pending to register, as a broker-dealer, registered representative of a broker-dealer, futures commission merchant ("FCM"), commodity pool operator ("CPO"), commodity trading advisor ("CTA"), or an associated person of an FCM, CPO, or CTA, we are required to disclose this fact and describe the business relationship, if any, between the advisory business and the other business.

1. If a relationship between the advisory business and Mr. Alpers' other financial industry activities creates a material conflict of interest, the SEC requires us to describe the nature of the conflict and generally how we address it. We have nothing to disclose in this regard.
 2. If Mr. Alpers receives commissions, or other compensation based on the sale of securities or other investment products, including as a registered representative, and including distribution or service ("trail") fees from the sale of mutual funds, we have to disclose this fact. If this compensation is not cash, we are required to explain what type of compensation he receives. We must explain that this practice gives Mr. Alpers an incentive to recommend investment products based on the compensation received, rather than on your needs. We have nothing to disclose in this regard.
- B. If Mr. Alpers is actively engaged in any business or occupation for compensation not discussed in response to Item 4.A above, and the other business activity or activities provide a substantial source of his income or involve a substantial amount of Mr. Alpers' time, we are required to disclose this fact and must describe the nature of that business. If the other business activities represent less than 10 percent of Mr. Alpers' time and income, we may presume that they are not substantial. We have nothing to disclose in this regard.

Item 5: Additional Compensation

If someone who is not a client provides an economic benefit to Mr. Alpers for providing advisory services, we are required to generally describe the arrangement. For purposes of this Item, economic benefits include sales awards and other prizes, but do not include his regular salary. We have nothing to disclose in this regard.
